

2018 NCHN Leadership Experience
September 25-26, 2018
The Westin Kansas City at Crown Center

Agenda

Leadership Experience: The NCHN Leadership Experience provides both professional growth and leadership development opportunities for health network leaders. The annual event focuses on network leaders and leadership skills. The event is open to network leaders and senior level network staff.

Leadership Experience Objectives: Participants may expect the following through their engaged participation in the event:

1. Discussion of innovative products and services for networks determine the meaning of collaboration in NCHN networks
2. Identification of the characteristics of intrapreneurial leaders
3. Defining the tools for creating a culture of innovation
4. Designing of at least one new innovation product
5. Sharing of tools and resources for network leaders

Monday, September 24, 2018

Brock A. Slabach, Senior Vice-President of Member Services, NRHA
- 11:15 AM – 11:50 AM What does this all mean to me?**
Linda K. Weiss, LCSW, NCHN Director of Member Services

Here are some of the questions we will consider together:

- If collaboration is necessary for innovation within the network, with business partners, colleagues across the country, and funding sources, what does this mean for me personally?
- What do I need to continue doing?
- What do I need to stop? When?
- What development do I want to engage in over the next year?
- What do I want to do for fun? How will I gain or maintain work/play balance?

- 11:50 AM – 12:00 PM What can NCHN do to provide support to your leadership & network growth and development?**
Rebecca J. Davis, Ph.D., NCHN Executive Director
