NCHN LEADERSHIP LEARNING COMMUNITY

NCHN's Learning Community is designed to provide additional educational and networking opportunities to the network leaders that participated in the 2015 NCHN Leadership Summit, to support and strengthen rural health network organizations; provide tools and strategies to network leaders that will assist in the development of their personal leadership skills; and to develop future leaders to serve in leadership roles for NCHN.

NATIONAL COOPERATIVE OF HEALTH NETWORKS

NCHN is a national professional membership organization comprised exclusively of health networks, alliances, and/or network stakeholders dedicated to supporting the success of health networks. Its mission is to support and strengthen health networks through collaboration, networking, leadership development and education. Network members include some of the most longstanding and established networks in the country, as well as some of the most recently formed networks. Find out more online at www.NCHN.org
