

NCHN Partnership Opportunity

NCHN is seeking a limited number of Partners to assist us in our mission of supporting and strengthening health networks. These select partners will provide educational services and/or products relevant to health networks and their members. NCHN looks to engage the partners in a yearlong educational and marketing program at the national level.

Exclusivity:

1. As a Partner, you will enjoy category exclusivity, if you are an EHR, we will not have any other EHRs as Partners etc.
2. If a Partner offers more than one product/service, Partner must identify which product/service they are requesting exclusivity. Each Partner will be approved for exclusivity on one product/service.

NCHN Partner Subscription:
